Southern Graphic Systems-Canada Co. (sgsco) dba Marks Design has made every effort to comply with FDR, and FDA rules and guidelines in the production of this artwork. To the best of our knowledge and experience this artwork adheres to and is compliant with rules governing product-labeling requirements as per USA legislation. In the event of an inadvertent non-compliance issue that results in the re-work of existing artwork, sgsco/Marks Design will, in cooperation with the client, make every effort to rectify the problem and produce replacement artwork files. The liability of sgsco/Marks Design shall be limited to correcting its own product. sgsco/Marks Design will not assume any legal or financial responsibility or liability for the contents of any packaging in the case of said contents being unusable because of FDR and FDA packaging non-compliance. The supplied artwork should be approved by the recipient for all content, layout and copy accuracy. This is a mechanical artwork file only. Color rotation to be confirmed by printer or prepress supplier. **The UPC code is FPO and should be replaced by your printer or prepress supplier. Please ensure that your prepress supplier prepares the file for printing.** Should the supplied artwork be found to be incorrect please contact your representative immediately.

It is your responsibility to examine and provide nutritional labeling that complies with the regulations of the Food and Drug Administration (the "FDA"). Upon request and for a fee, sgsco, together with its affiliates, without limitation, will either perform or direct you to certain third parties who will perform FDA compliance review services. By your signature you acknowledge and agree that, notwithstanding any terms, conditions, agreements or instruments to the contrary, sgsco shall have no liability with respect to compliance with FDA nutritional labeling requirements, including in cases where sgsco offers this advice for a fee.
