PARTY PACK INCLUDES:

1/8TH PALLET DISPLAYER
(12 X 12 PARTY PACKS)

WHEAT STRAWS X 24

While conventional straws take up to 500 years to decompose, our Wheat Straws are grown from 100% wheat stalks. Besides being suitable for both hot and cold drinks, our all-natural straws are gluten-free, tasteless and never get soggy like paper straws.

BAMBOO CUPS X 12

Unlike paper cups, our Bamboo Coffee Cups are microwave-safe, oven-safe, freezer-safe, and oil-resistant. Suitable for both hot and cold drinks.

BIRCH CUTLERY X 12

Made from FSC certified birch wood, the Forest Stewardship Council ensures that all birch used has been sustainably grown with the planet as a priority. Cutlery is thick, but flexible with a sharpened cutting edge on the knife, a deeper bowl on the spoon, and sharpened prongs on the fork. Microwave-safe.

PLANT FIBRE PLATES AND BOWLS X 12

Our Plant Fiber Plates and Bowls are 20-30% heavier and more durable than paper plates. Made from compostable bamboo fiber, wood fiber and starch, they are also oven-safe, microwave-safe, freezer-safe, leak-proof and grease-resistant. No trees were cut down to make our plates and bowls.

NAPKINS X 12

Our unbleached Paper Napkins are made from 100% post-consumer recycled paper, ensuring that no trees need to be cut down to make them.
